

Litigation Associate

The Firm

Nixon Wenger LLP is a well-established, respected leader in the legal industry, with a history spanning over 50 years. With 25 lawyers and 60+ staff, Nixon Wenger is one of the largest full-service firms in the Okanagan. The talented team of litigators and solicitors at Nixon Wenger LLP serve a broad scope of clientele, spanning from multinational corporations to small businesses, families, and individuals. Nixon Wenger LLP's values of excellent work product, collaboration, and work/life balance have been foundational in achieving optimal results for our clients.

The Job

We are seeking two talented litigation associates to join our civil and insurance litigation practice groups. Our civil team handles complex commercial disputes, construction claims, shareholder disputes, and property/development litigation. Our insurance team acts for institutional clients on large loss property, bodily injury, professional negligence, and complex liability claims against hospitals and schools.

The Perks

- Support and mentorship from a group of accomplished litigators
- Experience, supporting and collaborating, on complex files
- Opportunities to assume conduct of your own files early in your career
- Flexible work arrangements
- Living in an affordable area with access to world-class amenities:
 - Silver Star Mountain Resort (20 minutes away)
 - Kalamalka and Okanagan Lake
 - Wine Country
 - Golf courses
 - Kelowna International Airport (30 minutes away)

The Compensation

- Competitive salary with bonus opportunities Annual
- billable hours target of 1500

The Ideal Candidate

The ideal candidate will have 1-8 years of litigation experience with a connection to the Okanagan area.

The Application Process

Submit a cover letter and CV by email, confidentially, to Paula Bifano at paula.bifano@nixonwenger.com by Friday, June 18, 2025.

If you are interested in Nixon Wenger LLP, but now is not the right time for you, please feel free to email Paula Bifano to let her know – we will keep you in mind should opportunities arise in the future.
